New Delhi.

Sub.

Self Certification for extension of Affiliation.

Most respectfully I am writing to formally request and extension of affiliation with CBSE. As a representative of Rosemary Public School I want to state that in accordance with the terms and conditions outlined in our current Affiliation agreement I hereby certified that Rosemary Public School is committed to continuing our affiliation for an extended period. As we are working in a village area where the economic conditions are not sound. In spite of that we are doing good to educate the students of concerned area. During our existing affiliation period we have successfully achieved numerous milestones. We assure you that Rosemary Public School will fulfil all obligations and responsibilities stipulated in the original affiliation agreement during the extended period.

We look forward to your positive response and to the opportunity to continue our fruitful affiliation.

Thank you
